EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Scott Daniels on December 28, 2004.

The application has been amended as follows:

In the Specification:

In line 11 of the ABSTRACT, a period ---- has been inserted after "filter stack".

Lines 12-18 of the ABSTRACT have been deleted.

In line 7 of paragraph [071], "Fig. 3D" has been changed to ---Fig. 3C---.

In the Claims:

In line 21 of claim 13, "waster" has been changed to ---waste---.

2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest a water treatment and recycling system or method connected to a stone processing system, wherein grey water is collected and treated in a pressure filtration system to provide purified water along with recycled grey water back to the processing system using pumps and recycle loops. The prior art also fails to disclose or suggest a high pressure filter or method of using it, wherein the filter comprises a filter frame holding a head plate, filter

plates, tail plate, and ram for applying axial pressure to the assembly, the plates including an axial bore connecting sequentially along the filter stage to form a water input passage, and a plurality of discharge bores located circumferentially around the axial input passage to form a corresponding plurality of discharge passages extending along the length of the filter stack, wherein each filter chamber includes active filter elements between input and discharge passages and the discharge passages are connected to a clear water storage tank.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The references listed on the attached PTO-892 form disclose grey water treatment systems and filter devices.
